Treatment Agreement

English patient version | Marc James Daly, M.Sc. Osteopathic Medicine, Heilpraktiker

1. Our agreement and the appointment

This agreement is between the patient and Praxis Marc James Daly. A typical appointment lasts approximately 45 minutes and may include a medical history, examination, explanation of the findings, advice and osteopathic treatment. The approach depends on the individual assessment. No particular outcome can be promised.

2. Your information and decisions

Please tell us about relevant health conditions, medicines, allergies, pregnancy, previous treatment and any change in your symptoms. Bring relevant reports or imaging findings if available. We will explain proposed examination and treatment, including material risks and alternatives where relevant, and answer your questions. You may decline or stop an examination or technique. Your consent to a particular intervention is discussed and recorded as part of your care; signing this agreement is not blanket consent to all techniques.

3. Fees, invoices and insurance

The currently published fee range for a session is €100-€150, depending on the treatment and billing requirements. Where full reimbursement by an insurer is uncertain, we will inform you of the expected costs in text form before treatment. You remain responsible for the invoice even if an insurer pays only part of it or declines reimbursement. Please check your cover directly with your insurer. The invoice is payable within 10 days of issue by bank transfer, as stated in the practice FAQ.

4. Appointments, lateness and cancellation

Please arrive on time. If you arrive late, the time available for your appointment may be reduced. If you cannot attend, please cancel by telephone, in person or by email at least 24 hours before the appointment. For a missed appointment or a cancellation with less than 24 hours' notice, the practice may charge up to 50% of the planned appointment fee where the slot cannot reasonably be filled. You may show that no loss, or a lower loss, was incurred. Any charge is subject to applicable law.

5. Before you attend

If you suspect a contagious illness or have a significant new health concern before your appointment, contact the practice. Please bring your completed Patient Questionnaire and any relevant medical reports. Your personal and health information is handled as described in the separate Patient Privacy Information.

6. Contact and questions

Praxis Marc James Daly, Nikolausberger Weg 20, 37073 Göttingen. Telephone: 0551 4014 9030. Email: info@marcjamesdaly.com. Please ask us about anything in this agreement that you do not understand before signing.

I have read and understood the terms above and have had the opportunity to ask questions.
